We offer a **FREE** estimate of the cost and the delivery timeline after our preliminary scoping and then we work closely with clients to execute the project upon agreeable terms and conditions.

* We do **not** charge extra for searches on standard databases e.g. Delphion, USPTO, EPO, WO and other national patent databases. The specialized databases, e.g. DWPI, ACM or IEEE (full text) cost is charged separately for comprehensive searches as per the agreement with clients.

We offer attractive DISCOUNTS on assurance of a threshold volume of work. Please call our Sales Director (at 571.205.8694) for more detail.
